

## Dinner With Your Neighbors

Monday, April 16  
5:30 – 8 p.m.

1007A Bay Ridge Avenue  
Eastport Shopping Center

Get to meet your new (and not-so-new) Arundel-on-the-Bay neighbors while sampling some authentic ethnic fare at *Sammy's Italian Pizza Kitchen*. We had such a great time there last year, we're returning to this friendly and very delicious venue. Join us in supporting all of your community's social gatherings as well as promoting local businesses. Milton, part owner and manager, is donating 15% of the proceeds to AOTB. In addition to making a few bucks for our community, many of us are getting to know each other better – our real and not-so-hidden agenda. Bring your whole family, friends, and your next-door neighbors, then make sure you sit with someone you don't know. Milton will reserve one entire side of his spacious and newly decorated dining room for our group. It will be another win-win-win situation, trust us; AOTB folks are pretty special.

Check out *Sammy's* website and try not to drool over the yummy Italian menu, which includes several veggie and seafood dishes. It's a lot more than just pizza and is very kid-friendly.

I've visited several other local restaurants based on your suggestions and hoped we could sample other cuisines; however, for various reasons they were unable to accommodate us. If you have any restaurant suggestions you think might suit our needs (we usually have about 40-50 neighbors), please send the info to me. Better yet, ask if they are willing to have a dinner fundraiser and I'll stop by to reserve a date.

Last February 48 of our neighbors enjoyed themselves at *Jack's Fortune* to celebrate the Lunar New Year; owner May Li generously donated \$300 to our community. Although we certainly don't expect that kind of financial return from each event, we do expect that with the increasing numbers of our neighbors "breaking bread" with each other, we'll all gain much more than money. Please email me with the number of your party **before** April 14 so we can plan accordingly. See you there.
